About this piece

A good Arts and Crafts oak sideboard in the Glasgow style

With a generous display area to the very top and dentil moulded cornice below, this sideboard features a central upper angled cupboard with twin glazed doors, flanked by stunning stylised floral copper panels. The upper section is supported with upright forward supports and a display/serving area with semi-circular central detail just above the two drawers, with a further central drawer below.

There is an open area below that is flanked by a pair of cupboards, with blind lattice work details. **Height 72" 1/2", Width 63" 1/2", Depth 24"** at the central bow front. *Circa 1900.*
