### About this piece

#### A Gothic Revival oak display cabinet

with an open display area to the top and little ear-shaped details to each side and a castellated decoration below the glazed door, with five arches to the upper section and pierced quatrefoils to each side, and a central glazing bar to the centre.

With the original brass handle and inset brass trefoil hinges. The base with conforming castellated decoration and conforming arch details below, stood on four square legs united with an H stretcher arrangement with chamfered edges.

Later wired for lighting.
