

A Large Gothic Revival Gilt and Incised Mirror

Ref: GO 91, see also MR 27

Price on Application

PERIOD	Gothic Revival
YEAR	1870
MATERIALS	Mirror

About this piece

A large Gothic Revival gilt and incised mirror

with full width, 10" deep narrow rectangular planter incised in the same style (planter not shown; the planter fits to the base). I do have all the turnings for the top and this mirror will need some re-gilding.

It measures approx 10' 10" tall and 64" wide with the planter.

Circa 1870.
