About this piece

Aesthetic Movement Black Marble Brass Gong-Striking Mantel Clock

A rare and wonderful **Aesthetic Movement** black marble brass gong-striking mantel clock with brass finials and brass gallery to the top, just below with hand-painted porcelain panels of the signs of the Zodiac and an Arabic numeral 6.5 inch dial with hand-painted sunburst to the centre flanked with quarter florets to each corner.

Hand-painted on porcelain 'four seasons' to the base. Some with a little wear.
