### **About this piece**

Side table in **ebonised walnut, c.1880**, aligned to the *Aesthetic Movement (1880–1889)*. The square top stands on four turned legs above a useful lower shelf. Around the shelf runs a raised gallery set with regularly pierced circular roundels, giving lightness and rhythm to the design. The ebonised finish creates a uniform, architectural tone suited to Anglo-Japanese taste while keeping the form practical for living spaces.
