About this piece

This **Art Deco mottled pink glass shade** dates from around 1930 and exemplifies the restrained geometry of early *Art Deco period* (1919–1939) glass design. The **hand-blown glass** features a mottled surface pattern with pale rose and opaline diffusion that softens transmitted light. Its **cylindrical form**, measuring **20 cm (7.9 in) high** and **10.8 cm (4.25 in) in diameter**, reflects the movement's emphasis on proportion and material clarity.

The shade fits a standard bulb holder
