About this piece

An **Arts and Crafts lantern** in **hammered brass**, aligned to the *Arts and Crafts* movement (1880–1910), **c.1900**. The domed cap carries four scrolled strap brackets that clasp the **original opaque ribbed glass** liner. A ring finial and chain suspension complete the fitting. Hand-worked planishing, riveted and screwed construction, and the restrained silhouette are consistent with late Victorian workshop practice.

with original opaque ribbed glass liner. I also have another one in stock identical but half the size.
