About this piece

Bruce Talbert (1838-1881). A fine oak and glazed standing corner cabinet probably by Gillow and Co., 181cm high, 73cm wide, 55cm deep. The castellated cornice detail above the bevel glazed door is identical to the moulding on his famous 'Pet' sideboard exhibited at the 1872 London International Exhibition and also the 'Pericles' sideboard exhibited at the 1867 Paris Exhibition where it was a Grand Prix winner.
