About this piece

Bruce Talbert. Gillows of Lancaster. Two rare Gothic Revival armchairs.

The two blue ones are almost identical except one has square front legs and one with turned and square front legs.

Last image from *Jeremy Cooper's Victorian and Edwardian Furniture and Interiors* page 111 and page 85.

This chair was probably designed before **Talbert** published his book in 1868, *Gothic Forms Applied to Furniture, Metalwork, and Decoration for Domestic Purposes*.

Price per chair.
