### About this piece

Collinson and Lock, attributed. An Aesthetic Movement Mahogany armchair with double shaped back and arm rail. The seat sits slightly proud of the tapering legs to allow for the decorative arched supports that meet the stretchers, with subtle incised line details. The quality of this armchair is a step above.

Additional measurements:

Seat height - 50cm / 19.69" Inches

Arm height - 75.5cm / 29.72" Inches
