About this piece

English Aesthetic Movement cast iron fire insert in the style of Thomas Jeckyll with the original aesthetic movement tiles depicting children picking flowers and making daisy chains to the top with two boys to the left taking birds eggs and two girls picking berries off the trees, one tile signed to right hand lower corner O.G. for Owen Gibbons who designed these tiles for Maw and Co, Jackfield, Shropshire.

circa 1875

One floral tile quarter cracked but stable, bottom left-hand side.
