

Four Arts & Crafts Stained Glass Doors with Stylized Glasgow Roses Set in Copper

SOLD

PERIOD	Arts & Crafts Movement
YEAR	1900
MATERIALS	Copper, Pine, Stained Glass

About this piece

A rare set of four Arts & Crafts stained glass doors with stylized Glasgow roses inset into copper edging. Copper edging makes it considerably stronger than using lead edging, and was chosen for heavier use than normal, like a public building, very expensive to make in its day. Measure: Each door/panel measures height 81", width 22 3/4" and just under 2" thick.
