About this piece

G. F. Hardy Manchester

An Arts and Crafts oak child's desk with a slanted writing area and storage underneath. The sides are carved and polychrome painted with a sweet little rabbit and a duck in a picture frame.

Little is known of **G. F. Hardy**, but I have had an Art Deco style table in the past by **G. F. Hardy**, and it would seem they were active in the early part of the *20th Century*.
