About this piece

An Arts and Crafts Glasgow School oak double wardrobe designed by George Walton for one of George Davidson's home 'Wern Fawr' Harlech, Wales, built from c.1906 - c.1911. The wardrobe designed with no cornice but an open storage area to the top, the twin panelled doors with serpentine shaped tops and fantastic stained glass panels with stylised floral details inset with striking use of semi-circular copper panels with little glass bullions and wonderful hand formed copper escution plates a particular Walton detail. Circa 1908. The last image from 'George Walton Designer and Architect by Karen Moon page 105.
