About this piece

A rare classic Heals and Son Teak garden suite of superior design with square chairs that fit neatly away under the table taking up no more room than the table itself. This set has been completely restored all the chairs and the table have been dis-mantled, joints cleaned, new pegged joints glued and clamped and completely re-finished with 3 coats of exterior varnish ready for another 80 years of life. Length 36", Width 36". Circa 1920-30's.
