### About this piece

**John Moyr Smith for Mintons.** A set of eight printed earthenware tiles with a white glazed ground, each depicting a scene from Shakespeare's plays within a circular frame surrounded by Gothic text and stylised borders. Designed by **John Moyr Smith** and produced by **Mintons** at Stoke-on-Trent, these tiles combine fine transfer printing with occasional hand-tinted details. They exemplify the union of narrative art and decorative design characteristic of the **Aesthetic Movement** and the **Arts and Crafts** ideals of the late Victorian period.
