About this piece

Leonard Wyburd for Liberty & Co.

A rare Arts and Crafts two tier mahogany side table, inlaid with three pewter florets with ebonized highlights, to each side of the aprons below the top, all framed with line inlay.

The upper sides with pewter flower buds joined with ebonized line inlay in the shape of a smile, with a further single pewter flower bud to the centre of the side upright supports and an unusual lower stretcher to each end below the lower shelf.

Stood on shaped feet. This Liberty table shares the same pewter florets as the **Liberty & Co., Leonard Wyburd** Valkyrie oak piano I have added an image of in this listing which I sold a few years ago.
