### About this piece

Liberty & Co attr, Arts and Crafts oak glazed bookcase with a good size flat display area above, a flaring cornice with an upper open display area below, and a mirror to the back with pierced hearts to the front supports. Flanked by extended shelves with fretwork and pierced hearts with whiplash supports below giving the bookcase a subtle Art Nouveau style, each side pierced with a single heart. A pair of stain glass panels with floral decoration growing up from the roots to the flower heads with three adjustable replacement glass shelves. Stood on shaped bracket feet.
