CONDITION	Good

About this piece

M. H. Baillie Scott attri

An Arts & Crafts oak chair with stylized floral cut-outs to the back and pierced tulips to the aprons below the front and the sides of the seat. A very progressive chair in its style and form with turned details below the seat and trumpet style front feet. The entire back legs gently angle from the base upwards, allowing the back to angle slightly forward, giving a unique style to this complicated, successful design.
