### About this piece

#### A set of three superb quality Arts and Crafts oak benches by Mouseman

I seem to remember that only two of the three benches have the mouse carved onto one and into the other, therefore I will sell a pair and a single or all three together.

The pair: one with the mouse and one without the mouse, and a single bench with the mouse. They all need a good clean and a wax, which I will include in the price.

They are in another store at the moment in Holton, about *eight miles* from the Southwold showrooms. A **PP RO X**. Measurements 7' long. Price per bench.
