DIMENSIONS	H: 37 in (93.98 cm) W: 19 in (48.26 cm) D: 20 in (50.8 cm)
CONDITION	Good

About this piece

Edward William Godwin (attributed) probably for William Watt, a set of four dining chairs.

See Soros, Susan Weber 'The Secular Furniture of E.W. Godwin', p. 126, illus. 171 for a comparable example.

We currently have a set of four almost identical chairs separate to these, and a pair with slightly longer turnings, also in oak which would make up a set of ten.
