About this piece

An Arts and Crafts oak treble wardrobe by Shapland and Petter in the Glasgow Style, flaring cornice with tremendous stylised floral copper panel just below the cornice that has a subtle shaped bracket just above which actually just slides down into place before one puts the cornice on, conforming stylised floral copper panel's to each side door which both break forward from the central door giving the piece its truly amazing form with bevelled mirror opening to reveal upper cubby hole with drawers below with superb hand formed copper handles and hinges. Another example typical of SandP superior design and quality. Height 7', Width of cornice 81", Depth of cornice 26". Circa 1900.
